Meeting of the Local History Room Advisory Committee
December 1, 2015

Present: Kathy Kanauer, Janice Braman, Anna Bundschuh, Don Nelson-Nasca, Diane Dayton Riley, Margery Salmon, Carolyn Wise, Town Board Liaison Linda Kohl

The committee met at Shadow Lake for lunch, followed by discussion of the following acquisitions:

1. A Caramate projector given by Sue Pixley. The projector can be used outdoors. It was previously used for Thousand Acre Swamp outdoor screenings of programs. The committee agreed with Historian Kathy Kanauer that we should accept the projector.
2. Melinda Falkoff has some kitchen items that she thinks may be useful in our current display. Kathy and Janice will check the items and decide whether we will accept them.
