FOR IMMEDIATE RELEASE

Penfield to Review 2012 Sidewalk Priorities
- Wednesday, February 15, 7:00 PM, Town Hall -

PENFIELD, N.Y., FEBRUARY 10, 2012 – The Town of Penfield is identifying priority projects for its 2012 new sidewalk installations. A public information meeting will be held Wednesday, February 15, at 7:00 PM in the Penfield Town Hall Auditorium. Jim Fletcher, Town Sidewalk Coordinator, will present preliminary plans for the coming year and receive public comments.

Each year, the Town reviews a master list of sidewalk priorities and related public comments. From there, a project schedule is created based on budget allocations. Budget adjustments, weather, and other town projects can impact the number of sidewalk projects completed during a season.

Supervisor Tony LaFountain commented, “Penfield maintains close to 60 miles of sidewalks. Priority for new sidewalks is given to projects that connect neighborhoods to schools, business centers, and other key community destinations.”

To learn more about sidewalk policy, view a map of Penfield sidewalks, or to submit a request for a new sidewalk or a repair, go to www.penfield.org, choose ‘Public Works,’ ‘Engineering,’ then ‘Sidewalks.’

Comments can also be directed to the Town Sidewalk Coordinator, Jim Fletcher, at 3100 Atlantic Ave., Penfield, NY 14526 or by email to fletcher@penfield.org. The public comment period will run through Thursday, March 15 at 5:00 pm.
