Electric Car Show at Penfield Cleanup Day April 20
~ A “Great Penfield Spring Cleanup” event ~

PENFIELD, N.Y., APRIL 9, 2013 – The Town of Penfield will host an electric car show as part of its “Penfield Cleanup Day” activities Saturday, April 20, 9:00 a.m. to noon at the Penfield Community Center, 1985 Baird Road. This event marks the second year the town has hosted an electric car show since installing the first publicly available charging station in Monroe County at the Penfield Community Center.

Cars from private owners, dealers, and members of the New York State Electric Auto Association will be on display. The show is expected to include the Chevy Volt, Nissan Leaf, Ford Focus Electric, Mitsubishi i-MiEV, Tesla Model S, and many others. A number of charging stations will also be on display including a Solar Photovoltaic (PV) Electric Vehicle Charger.

“Interest in electric cars continues to gain momentum, and we are about to install the town’s second public car charging station in the Veterans’ Memorial Park complex behind the Town Hall,” said Supervisor Tony LaFountain. “We are excited to encourage a range of sustainable practices in our community in keeping with our commitment to the wellness of Penfield.”

To participate in the electric car show send an email to show organizer Bob Kanauer at kanauer@frontiernet.net and include your name, make, model and year of your vehicle, and your address.
The town’s Energy & Environment Advisory Committee (EEAC) and Town Board are promoting this event as part of “The Great Penfield Spring Cleanup” with activities that begin April 9 and run through May 11. For all events and details, go to www.penfield.org.
