FOR IMMEDIATE RELEASE

Electric Car Show at Penfield Cleanup Day April 25
~ A “Great Penfield Spring Cleanup” event ~

PENFIELD, N.Y., APRIL 21, 2015 – The Town of Penfield will host an electric car show Saturday, April 25, 9:00 a.m. to 12:00 p.m. at the Penfield Community Center, 1985 Baird Road as part of its “Penfield Cleanup Day” activities. This event marks the fourth year the town has hosted an electric car show since installing the first publicly available charging station in Monroe County at the Penfield Community Center. A second charging station was installed at the town hall complex in 2013, and a third will soon be available in Harris Whalen Park.

Cars from private owners, dealers, and members of the New York State Electric Auto Association will be on display. Members will be on-hand to answer questions. The show is expected to include the Chevy Volt, Nissan Leaf, Ford Focus Electric, Mitsubishi i-MiEV, Tesla Model S, Volkswagen e-Golf, BMW i3, and others. Each year the number of cars at the show increases as more automobile companies are offering new models. A number of charging stations will also be on display including a Solar Photovoltaic (PV) Electric Vehicle Charger.

“Sustainability and Penfield have become synonymous over the past five years,” said Supervisor Tony LaFountain. “We are delighted to host the electric car show annually along
News from Penfield, page two of two
with many other renewable programs including solar installation, waste reduction, green
space acquisition, and storm water management.”

To participate in the electric car show contact show organizer Bob Kanauer (585.377.2783 or
kanauer@frontiernet.net ) with your name, make, model and year of your vehicle, and your
address.

The town’s Energy & Environment Advisory Committee (EEAC) and Penfield Town Board are
promoting this event as part of “The Great Penfield Spring Cleanup” with activities taking
place in April and May. For all events and details, go to www.penfield.org.
