FOR IMMEDIATE RELEASE

Household Hazardous Waste Collection September 16
~ Safely dispose of hazardous chemicals, appointment required ~

PENFIELD, N.Y., AUGUST 22, 2017 – Household Hazardous Waste Collection for Penfield and Webster residents is Saturday, September 16 from 7:45 AM to 1:00 PM at the Webster Highway Garage, 1005 Picture Parkway.

This appointment-only service is hosted by the Monroe County Department of Environmental Services (DES) and the towns of Penfield, Webster, and the Village of Webster. For details on permitted materials or to make an online appointment go to http://www.monroecounty.gov/hhw, or call Penfield DPW at 340.8710 through Friday, September 15 at 3:00 PM.

“Many people seem to have an old partial container of a chemical product in their garage, shed, or under their sink that they want to dispose of—yet they know it should not go in the weekly trash,” said Penfield Supervisor Tony LaFountain. “Collections like this one offer an environmentally safe solution to that dilemma at no cost. Now’s the time to gather and safely dispose of all those unwanted known and ‘mystery’ chemicals.”

Residents may bring up to 30 gallons of liquid and 75 pounds of solid HHW materials per appointment at no charge. No 55-gallon drums will be accepted. Waste from businesses will not be accepted.
