At the last Town Board meeting, our “Business Spotlight” program focused on the Four Corners District. This is the second of our six business districts to be “spotlighted;” next up will be the LaSalle’s Landing District.

The Four Corners area has a unique mix of new and well-established retail and service businesses ready to meet all their customer needs. Parking is available in three public lots located on the northeast corner adjacent to the Fire Station, on the southeast corner in front of Grande Vie Senior Living Community, and on the southwest corner along Motts Lane. Additionally, there is parking along certain sections of Rt. 441 and Five Mile Line Road.

Sidewalks throughout this area allow you to park and stroll to all the businesses, Philbrick Park, and the various trial heads along Honey and Irondequoit Creeks.

Please consider supporting the businesses in this area and all of the other business districts within Penfield…healthy businesses support a healthy community.

I would like to comment on two resolutions recently adopted by the Town Board. First, with regrets, we accepted the resignation of Nancy Zinn, the Dayton’s Corners School Coordinator for more than a decade. Nancy brought a long career of teaching and a love of history to the position, which resulted in this school being one of the most favorite local history learning facilities for fourth grade classes throughout the county. Nancy, we thank you for your dedicated interest in promoting life-long learning and for promoting this wonderful one-room schoolhouse experience.

The second resolution was the appointment of Karyn Turner as the new Dayton’s Corners School Coordinator. Karyn brings more than 37 years of teaching experience to the position, including an extensive amount of volunteer work with Susan B. Anthony House. She is a resident of our community, and is already working with the very active school volunteer group we are so fortunate to have supporting this teaching museum in Penfield. Congratulations Karyn, we look forward to working with you for many years to come.

Dates to remember: Tuesday, April 20 at 7:00 PM there will be a public information meeting to review Panorama Trail road improvements at the Town Hall.

Thursday, April 22 there will be a ribbon cutting for Penfield’s new Community Victory Garden at 3:00PM. The property is located adjacent to 1724 Five Mile Line Road. The garden will provide residents with an opportunity to grow their own organic vegetables, flowers and herb for their consumption or for the needy.

Saturday, April 24 is Spring Clean up Day at 9:00AM at the Community Center. Join the several hundred residents that will be helping to clean up our community after a long winter. This event will feature a tree and light bulb (CFL) give-away. (Reserve your CFL at www.renewpenfield.org or in-person at the Town Hall, Penfield Library or Penfield Community Center.)

Lastly, as the nice weather continues more and more residents are out walking their four legged friends. Please do “your duty” to be a good neighbor and pick up “their duty.” Thank you in advance for helping to keep our town “duty free”!

Have a great week,

Tony
