Currently, there is a fenced in beer garden at the microbrewery in which they would like to allow small acoustic acts to perform. Music acts would only play until 10:00 PM. They informed the Town Board that the referenced area is completely isolated with three (3) sides being blocked by the brewery building, the hill and Empire Blvd. They plan to monitor the sound level to make sure it does not exceed 80 decibels. They have purchased a decibel meter and tested the sound during a special event they had during the summer and the sound was minimal.

Councilwoman Kohl asked if they received any calls pertaining to the sound.

They stated they did.

Councilwoman Metzler inquired about parking and what will they do if the parking lot is full.

Kyle stated there are 55 spaces in the K2 Brewing parking lot and they plan to help direct traffic that enters the lot. They have paved and put stone down in the vicinity to accommodate overflow parking.

Councilman Quinn asked if any signs have been posted that signify Wilbur Tract Road as a private road or that designate an area that allows parking.

The Kennedy brothers stated “No.”

Councilwoman Metzler inquired about music being located inside the building only.

The Kennedy brothers stated that is where the acoustic music now, but during the summer the majority of their patrons enjoy being outside.

Councilwoman Kohl asked if music is currently being piped outside.

They answered “Yes.”

Councilwoman Kohl asked if the piped music is at the same decibel as the acoustic music.
