XI Adjournment
The Regular Meeting of the Penfield Town Board was held on Wednesday, March 2, 2011 at 7:30 PM at the Penfield Town Hall, 3100 Atlantic Avenue, Penfield, New York.

Present:  R. Anthony LaFountain  Supervisor  
Linda Kohl  Councilwoman  
Paula Metzler  Councilwoman  
Andrew Moore  Councilman  
Robert Quinn  Councilman  

Also Present:  Amy Steklof  Town Clerk  
Richard Horwitz  Town Attorney  
Robert Beedon  Town Comptroller  
Jim Costello  Director of Developmental Services  
Katie Evans  Town Planner  

Supervisor LaFountain called the meeting to order – The Pledge of Allegiance was led by Cub Scout Troop #230 from the First Baptist Church out of Cobbles Elementary School and Pack #9 out of Harris Hill Elementary School.

Supervisor LaFountain recognized graduate students from the University of Guelph, Canada and professor Wayne Caldwell and asked if the professor would say a few words about their visit to the Penfield Community.

Professor Caldwell stated as part of a program that focuses on rural planning and development, they selected the Town of Penfield and contacted Town Planner, Katie Evans who set up an agenda for his graduate class to help them learn how things are done within the Town’s jurisdiction.

Public Hearing # 1 - To Consider Preliminary Subdivision and Site Plan Approval to Allow 99 Single Family Residences and Final Subdivision and Site Plan Approval to Allow 29 Residences in Phase I of The Abbington Place Subdivision on 49.1 Acres at 1229 Fairport Nine Mile Point Road.

The Town Clerk read the title of the Notice of Public Hearing, said Notice was published in the Penfield Post on February 17, 2011, posted on the Website and on the Bulletin Board.

Rudy Neufeld, Crosstown Construction, stated that Abbington Place is a community that will serve a housing mix in price range and style of housing that is in demand and what he believes will keep residents in Penfield and draw others from outside of Penfield to our community. Mr. Neufeld stated that they will incorporate an ADA component to the proposed housing and the model will be handicapped accessible.

Mr. Neufeld also stated that they will be teaming up with ARC of Monroe County to help them plan and implement the designs into the homes to make them handicapped accessible.

Mr. Neufeld recognized Peter Vars and Martin Janda from BEM Engineering.

Mr. Vars on behalf of Nine Mile Point Associates stated the property is located along the west side of NYS Route 250, across from Marchner Road and south of the Cranberry Cove Subdivision. Mr. Vars stated the subdivision would consist of a density of (2) two lots per acre. Mr. Vars also stated that in June of 2009 Penfield adopted the NYS Route 250 Corridor Land Use Plan which identified this parcel as appropriate for increased density for residential development. The property is dormant, has a flat topography, drains in (4) four areas, and has an existing stand of red and silver maples along the NYS Route 250 frontage of the property.
In November of 2010 a complete application package was submitted to the Town Board. On September 1, 2010 the Town Board adopted the Findings report of the incentives that are the key components to the application. Mr. Vars went on to describe the layout of the subdivision and its engineering components.

Councilwoman Metzler inquired about price point.

Mr. Neufeld answered the homes on the Cranberry Cove extension would range from $250,000 – $350,000 and be consistent in style with the Cranberry Cove development. The southern boundary homes, as well as the inner tract of the development will be in the $199,000 to $230,000 range and part of the Patio Project.

Councilman Quinn stated that the Planning Board and Fire Marshal have some concerns in reference to the single point of entry off of NYS Route 250 into the development and asked how it has been addressed?

Mr. Vars stated the plan has been revised to address this issue.

Supervisor LaFountain asked Mr. Vars to address the drainage issue.

Mr. Vars stated that the design reduces the rate of runoff from the parcel and therefore will not over tax the existing drainage system.

Supervisor LaFountain also asked what conversations have occurred with the property owner located to the east of the parcel?

Mr. Neufeld answered by saying few conversations have occurred, but the project has very little impact on him.

Supervisor LaFountain asked what impact it would have on the project if the adjacent property owner does not let the pipe be replaced?

Mr. Vars stated that the culvert under NYS Route 250 is an 18 inch culvert and the controlling pipe is a (3) three inch pipe that goes into the 18 inch culvert. This will be used to control the drainage and reduce the rate of runoff.

Supervisor LaFountain asked Mr. Vars to address the issue of runoff to the Vendel property south of the development.

Mr. Vars stated that the water will be controlled by keeping the water on the property and berming on the south side and east side of the property.

Supervisor LaFountain asked Mr. Vars to speak about the outflow of the drainage pond to the west of the property.

Mr. Vars stated currently the water drains east to west. The plan is to collect the water in the pond and pipe it to the north, it will then naturally flow northward into an existing storm drain system. They are also hoping to encourage the water to infiltrate into the ground.

Supervisor LaFountain asked if the water currently flows through the Cranberry Cove pond?

Mr. Vars stated “yes.”

Councilman Quinn asked where the proposed sidewalks are located.

Mr. Vars stated that the sidewalks are located on the watermain side of the roadway so that they do not have conflicts with manhole covers and would extend to the gutters.
Councilman Quinn asked whether it includes a cut to the pedestrian trail.

Mr. Vars stated “yes.”

Gayle King, 7 Autumn Blaze Trail, Fairport spoke in favor of patio homes.

Dave Woodward, 1530 Harris Road said, in his opinion, some of the incentives listed in the findings are the “cost of doing business” and should not be considered an incentive. Mr. Woodward also stated that in his opinion the ground is not that permeable, but does not believe the water will migrate off of the subdivision onto the Cleary property. Also, referring to the findings, Mr. Woodward stated he does not believe the drainage pond will have any benefit to the adjoining properties. He also stated that proper grading should be done in this and all future projects.

Mr. Woodward also stated his concern with snow removal within the development due to the close proximity of the homes. He also mentioned his concern about the depth of the channel that runs into the drainage pond and feels it should be deeper in order for the pond to function properly. Mr. Woodward also voiced concern with future homeowners potentially removing berms and how it would affect future drainage.

Tom Cleary, 1250 Jackson Road, gave background on the history of his family’s property and the drainage issues they have had. Mr. Cleary stated that due to past history with Crosstown Construction and the drainage issues in other developments they have constructed, he has no confidence in their drainage plan.

Umbereen Mustafa, 1464 Marchner Road stated she is concerned with the volume and flow of the water off of the property and would like to know what studies are required for approving the plan? Ms. Mustafa is also concerned with increased traffic onto Marchner Road, and asked what studies have been done relating to potential increased traffic. She would like to know what recourse the neighbors would have if the traffic volume increases beyond capacity and whether there will be different options offered for the NYS Route 250 and Marchner Road intersection?

Supervisor LaFountain informed Ms. Mustafa that the State Department of Transportation has the responsibility to issue a permit and will be looking at all factors pertaining to that area.

In reference to the drainage issue, Supervisor LaFountain stated that the plan is to retain water on the property and let the water drain at a rate lower than it does today.

Mr. Vars reiterated the Supervisor’s statement.

Mr. Vars also stated that a Comprehensive Traffic Study had been completed and that the scope of the study was determined through consultation with the Town Engineer and the State Department of Transportation. He added that the State decides where the access is and what the access will consist of due to the fact that NYS Route 250 is a State road.

Supervisor LaFountain asked Town Planner, Katie Evans whether the traffic study materials are available for review on-line?

Ms. Evans stated that she is unsure whether the traffic related materials are on-line, but if not they will be by tomorrow. Ms. Evans also stated that all other materials pertaining to the project are on-line at www.penfield.org/planningdept/applications.
Supervisor LaFountain took a call from a resident inquiring about the depth of the holding ponds and what will keep them from overflowing?

Mr. Vars stated that all the concerns about drainage are addressed in the plan, but the holding ponds are large enough to handle a one hundred year storm.

Councilwoman Metzler asked Mr. Vars whether the study also accounts for snowfall.

Mr. Vars stated “it does.” Mr. Vars also stated the depth of the holding ponds is between (2) two to (4) four feet.

Ms. Mustafa asked whether the state traffic report that was previously discussed included Marchner Road traffic?

Mr. Vars stated “it does.”

Ms. Mustafa asked whether the study was done for all 99 homes?

Mr. Vars answered “yes.”

Louise Cleary, 1252 Jackson Road stated her property butts up against the west side of the proposed development, and that most of her concerns have already been addressed. She read a statement that included her concerns.

Supervisor LaFountain suggested that Ms. Cleary submit a copy of her statement for the file.

Ms. Cleary’s statement included concerns of incentive zoning, high density housing, drainage and maintenance of ponds.

Supervisor LaFountain took a call from Rose Hanscom. Ms. Hanscom stated she is concerned with the incentive zoning aspect of the project. She suggested that the developer should consider putting sidewalks on Marchner Road and Jackson Road.

Casandra Coon, 40 Whitespire Lane stated she is in favor of the development proposal.

Bill Vendel, 1267 Webster Road stated he is against the incentive zoning package, and feels the Town should get involved in the planning process before the developer begins their process. He also stated that he feels the Town should take care of drainage issues instead of the developer, and is very concerned about flooding. Mr. Vendel stated he also feels that the proposal will have a negative impact on farming in that area due to the inability to control the deer. He is also concerned about the chemicals in the water that will flow onto his property and contaminate his crops. He is concerned that the residents who will live in the proposed development will complain about his farming operation such as the spraying of his crops.

Mr. Vendel thought one of the benefits of the project would be the installation of sewers, but he hasn’t seen any documentation referring to it.

Mr. Rick Wilbert, 1240 Jackson Road referred to a letter he wrote and submitted to the Supervisor in May 2010 and stated he still has the same concerns with drainage, high density and incentive zoning.

Rudy Neufeld stated his company takes their service seriously and they stand by their work. He also stated that there has never been a complaint concerning drainage, but he would be willing to meet with anyone who claims there is a problem and will make sure the situation is rectified.
Penfield Town Board, March 2, 2011 5

(Public Hearing #1 - Continued)

Jim Costello, Director of Developmental Services, asked Mr. Neufeld to explain his intent to provide sanitary sewer service to Mr. Vendel.

Mr. Neufeld stated his company has provided an easement between (2) two properties on NYS Route 250 and will run a pipe from the main pipe to the back property line. He stated that Mr. Vendel had approached him and asked for access to the sewer line and that he was told they are willing to do that. Mr. Neufeld also stated that his company is willing to provide easements and sewer connections to anyone that resides near the project.

Mr. Vars stated that the project is the result of a Town planning process that included the adopted NYS Route 250 Land Use Corridor Study and the Town Planners did get out ahead of the developers.

Mr. Vendel stated one more concern which is the number of emergency entrances and exits to the property.

Hearing closed.

Communications and Announcements

1. Councilman Quinn’s office hours will be held Saturday, March 12, 2011 from 9:30 AM to 11:00 AM at Dunkin Donuts at the intersection of NYS Routes 250 and 441.

2. The next Cable Advisory Board meeting will be held on Monday, March 14, 2011 at 6:30 PM in the Town Hall’s lower level conference room. For more information go to www.penfieldtv.org.

3. Councilwoman Metzler recognized Cameron Irland a 5th grader at Harris Hill Elementary School for coordinating an effort to benefit Golisano Children’s Hospital by collecting a truckload of gifts for the children.

4. The Penfield Library is celebrating its 10th annual “March Into Arts” month. The library will be welcoming Hannah Tinti, author of “The Good Thief” on Wednesday, March 2, 2011 at 7:00 PM. For more information go to www.penfieldlibrary.org or call the library at 340-8720.

5. The Assessors office will be located on the second level of the Town Hall effective Monday, March 14, 2011.

6. Last Thursday, February 24, 2011 Supervisor LaFountain spent time at the Penfield Fire District Station #1 to honor Guy McGowan who was celebrating his 90th birthday. Mr. McGowan has been an active member of the fire company for 66 years.

7. There will be a short video at the end of tonight’s meeting of the presentation the Town Board made to Tom Falk for his 35+ years of service with the Town.

8. Penfield Trails Committee will hold a free hike at the Veteran’s Memorial Park on Saturday, March 12, 2011 at 10:00 AM. Participants are asked to register by calling the Recreation Department at 340-8655.

10. Councilwoman Kohl’s next Community Chat will be Tuesday, March 15, 2011 from 5:30 to 7:30 PM at the Penfield Library in the new book area.
11. The Penfield Rotary’s Spring Charity Euchre Tournament will be Sunday, March 20, 2011 at the Sanibel Cottage, 1517 Empire Boulevard. Check in time is at 1:00 PM. For more information go to www.penfieldrotary.com.

Public Participation

Richard Hammann, 1410 Penfield Center Road, stated that his experience with Supervisor LaFountain and Councilwoman Metzler in regards to drainage issues has been positive and that he believes that the Supervisor and Town Board will address the drainage issues, including how the runoff is measured.

Ed Lindskoog, 18 High School Drive, would like to see more children walking to school rather than riding the bus. Mr. Lindskoog also informed the Town Board that the Trails Committee had a presentation this evening that proposed a connector trail from Panorama Plaza up to Ellison Park and that the committee will be discussing the project with the Town Board soon.

Additions and Deletions to Agenda - None

Approval of Minutes

Councilwoman Kohl moved to approve the Minutes of February 2, 2011, Councilwoman Metzler seconded and all voted “Aye.”

Petitions - None

Resolutions by Function

Law and Finance

#11T-097 Approval of Issuance of a Special Permit to Allow a Sit-down Restaurant at 1857 Penfield Road - Los Amigos Cantina - SBL
#139-06-4-10 - Daphne and Jim Coanciola by Moore

WHEREAS, an application has been received by the Penfield Town Board for the issuance of a Special Permit, pursuant to Article III-3-97 of the Code to a restaurant at 1857 Penfield Road, located in the Four Corners (FC) zoning district; and

WHEREAS, the Town Board of the said Town of Penfield held a Public Hearing at the Town Hall, 3100 Atlantic Avenue, in the Town of Penfield, New York on February 16, 2011, at 7:30 PM on said date, to consider the application and hear all persons interested on the question of the issuance of a Special Permit to allow a restaurant at 1857 Penfield Road, in the Four Corners (FC) zoning district and the Public Hearing was closed.

NOW, THEREFORE, BE IT RESOLVED, that the applicants’ request for a SPECIAL PERMIT to allow a restaurant at 1857 Penfield Road is hereby GRANTED subject to the following conditions:

1. The applicants shall obtain a SPECIAL PERMIT from the Town Clerk and pay the appropriate fee. The SPECIAL PERMIT is non-transferable. Any subsequent owner or operator shall be required to apply for and obtain a SPECIAL PERMIT from the Town Board to operate a business at this location.

2. The applicants shall comply with the occupancy requirements that have been established by the Penfield Fire Marshal in accordance with the New York State Building Code and obtain any/all necessary permits from the Building Department.
3. Adequate on-site parking and shared parking with the property at 1853 Penfield Road shall be available at all times to accommodate the applicant’s business. At no time shall adjacent property owners be adversely impacted by those patronizing this business.

4. The applicants shall be required to remove the existing back lit illuminated sign on the premises and replace it with a sign that complies with the requirements of the Four Corners zoning district. The applicants shall submit a rendering of the proposed free standing sign to the Town Board for its review and approval and a sign permit shall be issued by the Building Department prior to its installation.

5. The applicant shall obtain a Liquor License from the New York State Liquor Authority prior to serving alcohol at this location; furthermore, the applicant shall ensure that the primary use of the property remains as a sit-down restaurant and that the sale of alcohol is secondary and incidental to the sale of food.

6. Any proposed exterior improvements shall be consistent with the requirements of the Four Corners Design Standards Manual and subject to the approval of the Town Board.

7. The applicants shall be permitted to install a patio to the rear of the restaurant to provide for outdoor dining subject to compliance with the Fire Marshal’s requirements for occupancy on said patio.

8. The applicants shall be responsible for the continuous maintenance of the hood and exhaust system and at no time shall odors emanate from the site that may cause a nuisance to area property owners.

9. The applicants shall not be permitted to have any type of entertainment to the exterior of the restaurant. The applicants may apply for Special Permits to conduct outdoor events. Said events shall be subject to the approval of this Board and/or the Building Department. The applicants are permitted to have an internet juke box and unamplified entertainment within the restaurant.

10. The applicant shall comply with the permitted hours of operation for the Four Corners zoning district, that being 6:00 AM to 12:00 AM on a daily basis.

11. The applicants shall be required to enclose the dumpster(s) on the site by no later than June 1, 2011. Said enclosure and its location shall be determined by the applicant and the Building Department.

12. This operation shall comply with all Federal, State, County and Town Codes.

13. Failure to comply with the conditions set forth hereinabove may result in the revocation of this Special Permit pursuant to the requirements of Article XI-11-14 of the Zoning Ordinance.

AND BE IT FURTHER RESOLVED, that the applicant’s proposal is classified as a Type II action pursuant to the requirements of the State Environmental Quality Review Act (SEQRA) and the Penfield Environmental Quality Review Law (PEQR).
The Town Board, in granting the Special Permit, does so based on its following findings:

1. The applicants propose to operate the restaurant similar to the prior operators of the Los Amigos restaurant located at 1857 Penfield Road, but will change the name to Los Amigos Cantina.

2. The applicants propose to operate it as it has been operated since its inception, with the exception of providing outdoor dining to the rear of the restaurant.

3. The applicants are aware of, and will comply with the permitted hours of operation for the Four Corners district.

4. The applicants have agreed to remove the pre-existing non-conforming freestanding sign and replace it with a new sign that complies with the requirements of the Four Corners zoning district.

5. The applicants have agreed to install a dumpster enclosure for the site by no later than June 1, 2011 as requested by the Board.

6. The applicants are aware that they will not be permitted to provide outdoor entertainment on the site except in special cases where a special permit is subject to approval by the Town Board and/or the Building Department. The applicants are permitted to have an internet juke box and unamplified entertainment within the restaurant.

7. There are adequate parking facilities on site and shared parking with the property owners at 1853 Penfield Road to accommodate this business, as well as the day care operating at 1853 Penfield Road, as demonstrated by the prior operators of the restaurant and the prior and current owners of the day care.

8. The applicants have stated that they will comply with all applicable codes and regulations pertaining to the operation of a sit-down restaurant and sale of alcohol in the Town of Penfield.

9. The applicants had previously successfully operated a restaurant in Penfield and now propose to operate a restaurant at a location that was also very successful from many years. The proposal is consistent with, and furthers the goals and objectives of the Four Corners zoning district.

#11T-098 Setting an Informal Discussion Meeting for an Incentive Zoning Proposal at 1292-B and 1364 Jackson Road – SBL #’s 095.03-1-7.2 and 095.03-1-35 – Appl. #11P-0005 by Moore

WHEREAS, Edward Parrone, P.E., Parrone Engineering, 349 West Commercial Street, East Rochester, New York 14445. Frontier Management requests an Informal Discussion with the Town Board regarding the possible construction of 103 single family residences on 76 +/- acres located at 1292-B and 1364 Jackson Road. The properties are owned by Franklin Barry and are zoned RR-1, SBL#’s 095.03-1-7.2 and 095.03-1-35.
NOW, THEREFORE, BE IT RESOLVED, that the Town Board of the said Town of Penfield shall hold an Informal Discussion at the Penfield Town Hall, 3100 Atlantic Avenue, in the Town of Penfield, New York on April 6, 2011, at 7:30 PM on said date, to consider the said conceptual plan and to hear all persons interested on the question of the possible construction of 103 single family residences on 76 +/- acres located at 1292-B and 1364 Jackson Road; and be it further

RESOLVED, that a copy of this Resolution, certified by the Town Clerk, shall be published at least once in the official newspaper of the Town, the first publication thereof to be not less than ten (10) nor more than twenty (20) days before the date set for said Hearing as aforesaid. A copy of this Resolution shall be posted on the official signboard of the Town as prescribed by Law.
