Supervisor LaFountain called the meeting to order – Pledge of Allegiance

Public Hearing #1 - To consider issuance of a Special Permit to Allow the Change in Ownership and Operatorship of the Bayside Boat and Tackle and Accessory Snack Bar at 1350 Empire Blvd. – LaSalle’s Landing Development (LLD) Zoning District

The Town Clerk read the title of Notice of Public Hearing, said Notice was published in the Penfield Post on May 26, 2011, posted on the website and on the Bulletin Board.

Applicant, Ken Strimple stated he wishes to operate the Bayside Boat and Tackle Shop previously owned by Jerry Henner, which includes the sale of bait, tackle and fishing accessories and the rental of fishing and party boats. Mr. Strimple also stated he would like to open and operate the concession stand that is on the premises. In addition, Mr. Strimple stated he would like to do the following:

1. Provide fishing lessons, which includes fly fishing lessons  
2. Provide fishing charters  
3. Apply to the NYSDEC to remove an existing fishing pier that is in disrepair  
4. Shift an existing dock further east to allow better access to the channel that services the Southpoint Marina  
5. Remove the winter boat storage

Mr. Strimple also stated that Oak Orchard Canoe and Kayak business would continue as a tenant.

Councilwoman Kohl asked Mr. Strimple how he is promoting the business?

Mr. Strimple stated that besides word of mouth and previous customers, he has a website www.letscatchfish.net and that the website received approximately 35,000 hits last week. He also stated that the original website www.baysideboatandtackle.com is still in place.

Councilwoman Kohl asked how many employees are there on site, and what are the hours of operation?

Mr. Strimple answered the hours of operation will stay the same as before from 6:00 AM to 8:00 PM during the summer and 6:00 AM - 5:00 PM during the winter. Mr. Strimple also stated that there are two (2) full time employees and two (2) part time employees.

Councilwoman Metzler stated she is concerned with the fact that Mr. Strimple is looking to install fire pits at the rear of the building and an ice skating rink in the bay and asked what approvals are needed for the installation of these items?

Mr. Strimple stated that permits had been given for the ice skating rink in the past and that the fire pits are only an idea at this time. Mr. Strimple also stated that he is not looking for approval for either one at this time. Mr. Strimple also stated he would like restrictions eliminated on the size of the motors that are on the boats.
Councilwoman Metzler asked Mr. Strimple to clarify exactly what he is requesting.

Mr. Strimple stated he would like to operate the Bayside Boat and Tackle shop as it has previously been run, but would also like to add a charting business, remove the restrictions on the motors and give fly fishing lessons.

Supervisor LaFountain asked Mr. Strimple if there will be any sign changes?

Mr. Strimple stated the existing signs will remain the same.

Councilman Quinn asked how many ingress/egress on Empire Boulevard are with the property?

Mr. Strimple stated there is one (1) access point to the property.

Councilman Quinn inquired about the number of parking spaces.

Mr. Strimple stated there are 60 parking spaces.

Supervisor LaFountain asked if there are any plans to have outdoor music?

Mr. Strimple said no.

Larry Holmes, Webster resident, stated he is the owner of Hancock Marine in Maine and was a friend of Jerry Henner, previous owner of Bayside Boat and Tackle Shop. Mr. Holmes stated he is concerned with safety issues if the boat motor size restrictions are removed. Mr. Holmes informed the Board that the previous owner started out with the smaller engines, but over time allowed larger engines on the boats without the Town’s knowledge. Mr. Holmes also stated the Town should limit the number of people allowed to ride on the boats.

Mr. Strimple stated he is a United States Coast Guard Master Captain and is working with all Coast Guard Organizations to make sure all the boats are safe.

Supervisor LaFountain stated that the Town Board is obligated to look at all safety issues pertaining to this Special Permit Application and to make sure they are addressed including considerations relating to docks, signage and hours of operation.

Councilman Quinn asked Mr. Strimple to submit a formal request regarding the upgrade in size of the engines and the size of the boats.

Supervisor LaFountain asked Mr. Strimple to contact Director of Developmental Services, Jim Costello when working on the request.

Councilman Moore asked Mr. Strimple to go over what he plans to do with the snack shop?

Mr. Strimple stated he would like to have the snack bar open from 11:00 AM to 10:00 PM for lunch and dinner.

Councilwoman Metzler asked Mr. Strimple if he plans to add to his current boat inventory? She also asked Mr. Strimple to add the inventory list, including size of engine, to his written formal request.

Mr. Strimple stated that he would like to add paddle boats and he mentioned he has pontoon boats that have 25 horse power motors, but the boats only go 10 miles per hour.
Mr. Holmes asked the Board to contact the Monroe County Sheriff’s Department Marine section and ask how fast boats can go with 25 horsepower motors. He believes they can go a lot faster than 10 miles per hour.

Supervisor LaFountain stated that Sheriff Tom Reek is our contact person at the Monroe County Sheriff’s Department Marine section and that the Board will follow up with him.

Mr. Holmes also stated that all of the best and safest pontoon boats were sold by the previous owner of Bayside Boat and Tackle and that the remaining boats Mr. Strimple has in his fleet are in bad shape and are unsafe.

Supervisor LaFountain stated that the Board will take all submitted information for this application and discuss it at the next Town Board Work Session to be held next Wednesday, June 22, 2011 at 7:00 PM in the back of the Town Hall Auditorium.

Hearing closed.
