Beauty by M.E. Salon

2094 Five Mile Line Road

Meghan McKay- Owner

To whom it may concern, this letter is a letter of intent for my business Beauty by M.E. Salon. My name is Meghan McKay, and I own Beauty by M.E. Salon LLC. I intend to operate as a fully operational hair salon out of 2094 Five Mile Line Road in Penfield, New York. I not only own it, but also work as a hairstylist full time, four to five days a week.

In my business I have one renter who comes and goes as she pleases, as she pays a weekly rent for her chair. As of right now, it is just her and I who share this space. Hours of operation are typically between 10-7 during week days and 9-5 on Saturdays.

I intend on getting another stylist to rent a chair in the near future, but no more than three people at a time in the salon to adhere to COVID-19 precautions.

Thank you for your time,

Meghan McKay
