**Re: Special Permit For Outside Storage**  
**Upstate Bottle Return, Inc.**  
**1694 Penfield Rd, Penfield, NY 14526**

Dear Penfield Building & Zoning Department:

We *Upstate Bottle Return, Inc* are hereby applying for a Special Permit allowing Upstate Bottle Return, Inc, at *1694 Penfield Rd*, to use the back premises to use *2 storage containers* for overflow of bottle/can bags set for pickup/shipment to distributors. Due to the volume of bottles/cans and glass residents recycle, overflow is unavoidable with space provided in building, and ultimately complies with DEC regulations. These storage containers comply by Town of Penfield code; therefore, they are accessory use for business, not within 100 feet from residential zoning, not near or visible to public highway, and does not interfere with the quiet enjoyment of property by adjacent property tenets. Property owner, *D&L Realty, Inc*, has approved of the storage containers use on back premises.

Relating to the proposal, please find attached the following:
